

GREETINGS FROM FENWICK ISLAND'S TOWN COUNCIL

Welcome to Fenwick Island! It is important to us that as a new neighbor you feel a sense of "belonging" as an involved part of our community. To keep informed about current activities and events in the area, please utilize the Town's website at <https://fenwickisland.delaware.gov>, Facebook @TownofFenwickIsland and/or Instagram @fenwick_island_beach_patrol. Also, please sign up for Code Red bulletins at <https://public.coderedweb.com/CNE/en-US/BF1B2F004421>.

Fenwick Island, incorporated in 1954, has its own Charter and Ordinances. Members of the Town Council are elected by residents and property owners of Fenwick Island. After each election cycle, the Town Council members select a President/Mayor, Secretary and Treasurer. To vote in Fenwick Island's town elections, please register to vote at Town Hall or by completing a Voter Registration Form that can be found on our town's website. Please remember, as a property owner in Fenwick Island you are eligible to vote in the town elections even if you are registered to vote elsewhere for national and/or state elections. You now have a vote and voice in Fenwick too!

In addition to running the day to day operations of our town, Fenwick Island's Town Council is currently focused on a number of priority topics such as mitigating bayside flooding, planning, code enforcement, dredging, beach re-nourishment and pedestrian safety. Town Council utilizes a number of committees which support our community and a listing of active committees can also be found on our town's website. Even if you cannot volunteer to be on a committee, you can attend all meetings hosted by Town Council either by going to Town Hall or by participating via telephone conference and/or Zoom, with links advertised on the calendar posted on the website monthly.

If you have any questions or concerns, please feel free to contact any of the current Council Members by calling the Town Hall at 302-539-3011 or by emailing the Council Members at the following addresses:
